3. Navigating the CH Home Page

When you log in as Centre Head, your name, role badge ('Centre Head (CH)'), and Centre name (for example, 'Centre Head (CH) • SMPM') appear at the top. You can see status counters showing how many departments belong to your centre and how many are finalized.

Key Controls on the CH Home Page:

- **Year Selection:** Click to switch between current year (2026) and past years (2025, 2024), or click 'More Years...' to see years down to 2023.
- **Department & Category Filter Toolbar:** You can filter by Department (e.g. view one specific department or all departments under your centre), Category, Year, Month, or Half. Click 'Reset' to clear filters.
- **Download (.docx):** Click the blue 'Download (.docx)' button in the toolbar to download a combined Word document of all entries matching your filters.
- **Half-Month Cards:** Each month is divided into two halves: H1 (1st to 15th) and H2 (16th to end of month).
- **View Published PDF:** Click the red document icon on any half to view the official published newsletter PDF.
- **Half Download:** Each half row has a direct download button to download the Word document for that cycle.
- **Navigate to Categories:** Click the right arrow mark (>) on any half card to open the Categories page.

4. Categories Page — Viewing All Departments & Adding Details

After clicking the arrow mark (>) on a period card, the Categories page opens. As Centre Head, you can see entries across all departments under your centre, or filter to see one department at a time.

What You Can Do on the Categories Page:

- **Back Button:** Click '← Back' at top left to return to the home page anytime.
- **Centre Status:** Shows 'All Departments (SMPM)' badge and 'Open (CH)' status.
- **Department Dropdown:** Use the 'DEPT' dropdown at the top right to switch between all departments or a single department.
- **Category Tabs:** Click 'With Entries' to quickly see only the categories that have content, or 'All Categories (16)' to view the full list.
- **Open a Category:** Click on any category (e.g., 'RESEARCH PAPER PRESENTATION / CONTRIBUTORY TALKS') to expand it.
- **See Other Departments' Entries:** Inside each expanded category, you can clearly see what other departments have submitted. Each entry shows the Center badge (SMPM), Department badge (e.g., SMC), and the Contributor's name (e.g., SURESH SETTI).
- **Review Details & Photos:** You can read the full title, description, and see all attached photos.
- **Modify / Edit Entries:** If needed, CH can edit entries using the blue pencil icon, remove duplicate/incorrect entries using the red trash icon, or add more photos.
- **Add Details:** CH can also enter new details and attach photos directly into any category if desired.

5. Previewing Newsletter & Downloading Word Documents

You can easily preview and download the compiled newsletter entries for your centre:

Preview Options:

- **Open Preview:** Click the blue 'Preview Newsletter' button at the top of the Categories page. A clean popup window opens.
- **Combined View:** Click 'All Contributions' to see the combined newsletter with submissions from all departments under your centre.
- **Individual Contributor Filter:** Click on any individual contributor's pill (for example, 'SURESH SETTI (4)') to see only that person's entries.
- **Check Layout:** Review the exact formatted title, department and centre tags, full descriptions, and attached pictures.
- **Download Word (.docx):** Click the green 'Download Full Newsletter (.docx)' button at the bottom right of the preview modal (or at the top right of the Categories page) to download the complete Word document directly to your computer.
