2. Resetting Your Password

Use these steps if you forgot your password or want to set a new one:

Step 1: **Click "Forgot Password?"** This link is next to the password box on the login screen.

Step 2: **Open the reset window.** A small window called "Reset Password" appears.

Step 3: **Enter your email.** Type your CMTI email address in the Email Address box.

Step 4: **Click "Send OTP Code".** A 6-digit code (OTP, which means one-time password) is sent to your email.

Step 5: **Set your new password.** Type the 6-digit code and choose a new password. You can now log in again.

3. Home Page and Newsletter Periods

After you log in, your name, your role ("Group Head (GH)") and your department (for example, "Department: SMC") are shown at the top. As Group Head, you get extra options to review, download, finalize (lock) and manage your team.

What you can do on the Home page:

- **Year:** Switch between 2026, 2025 and 2024. Click "More Years…" to see older years back to 2023.
- **Filters:** Narrow the list by Category, Year, Month and Half (H1 or H2). Click "Reset" to clear all filters.
- **Download all (.docx):** Click the blue "Download (.docx)" button to download a Word file of all your department's entries that match the filters.
- **Settings (gear icon):** It is at the top right, next to your profile picture. Click it to add or edit team members of your department.
- **Months and halves:** Each month is shown as a card with two rows: H1 (1st to 15th) and H2 (16th to the end of the month).

- **Published PDF:** When the final newsletter is released, a red PDF icon appears. Click it to read the published newsletter.
- **Green tick (Finalize):** Each half has a green tick. Click it to finalize (lock) that half for your department.
- **Download for one half:** Download a Word file of all your department's entries for that half only.
- **Open a half:** Click the arrow (>) on a half to open its Categories page, where you review the entries.

4. Adding and Managing Team Members

Only the Group Head can add and manage team members. A member you add is placed in your department and centre automatically.

How to add a team member:

Step 1: **Open Team Management.** On the Home page, click the gear icon at the top right, next to your profile picture.

Step 2: **Check your department.** The "Department Team Management" page opens. It shows your department (for example, SMC), centre (for example, SMPM) and role (Group Head).

Step 3: **Fill in the "Create Team Member" form on the left.** Fields marked * must be filled:

- **Full Name *:** the member's full name (for example, Dr. Jane Doe).

- **Email Address *:** the member's official CMTI email (for example, name@cmti.res.in).
- **Initial Password *:** a temporary password (for example, 123456). The member can change it later.
- **Designation:** the member's job title (for example, Scientist B, Scientist C, Technical Staff).

Step 4: **Save.** Click "Create Team Member". The member is created and added to your department at once.

Step 5: **Manage your members.** The right side lists everyone in your department with name, email, designation and role. You can search for a member, edit details with the pencil icon, or remove a member with the delete (bin) icon.

5. Reviewing and Editing Entries

Click the arrow (>) on a half to open it and see all categories. Click a category to open it and see every entry added by your department members.

What you can see and do:

- **Who added the entry:** Each entry shows the name of the person who added it (for example, SURESH SETTI), their department (SMC), centre (SMPM), and the date and time.
- **Check the content:** Read the full title, description and photos.

- **Edit an entry:** Click the blue pencil icon to change the title, improve the description, or add or remove photos.
- **Delete an entry:** Click the red bin icon to delete an entry that is repeated, not needed, or rejected.
- **Add more photos:** Click the "+ Photo" button on any entry to upload extra photos.

6. Preview and Download

Click the blue "Preview Newsletter" button to open the "Newsletter Document Preview" window. You can view all entries together or only the entries of one team member.

Preview options:

- **All Contributions tab:** Shows the full newsletter with entries from all members for that half.
- **One member only:** Click a member's name tag (for example, "SURESH SETTI (4)") to see only that member's entries. The number shows how many entries the member added.
- **Check the layout:** See exactly how the text, tags, headings and photos will look in the newsletter.
- **Download Word (.docx):** Click the green button at the bottom right to download a Word file, either for the selected member or for all members.

7. Finalizing and Re-opening a Period

"Finalize" means lock. After you have checked all entries, you can finalize the period so that nobody can change it. If a correction is needed later, you can re-open (unlock) it.

How to finalize (lock) a period:

Step 1: **Check everything.** Review all entries and photos, then go back to the Home page.

Step 2: **Click the green tick.** Click the green tick button on that half.

Step 3: **Confirm.** Click "Confirm Finalize". The status changes to "Finalized".

Important: After you finalize, the period is read-only for everyone in your department. Nobody can add, change or delete entries.

How to re-open (unlock) a period for corrections:

Step 1: **Click the unlock button.** Use this when a member needs to correct something or add a late entry.

Step 2: **Read the window.** A window titled "Re-open Newsletter" opens. It asks, "Are you sure you want to re-open SMC Event Details?" and tells you that re-opening lets team members add and edit entries again.

Step 3: **Click "Confirm Re-open".** This is the orange button. The period unlocks at once and your team can edit again.
